

MAC Performance Review (2019 -2022)

Overview & planning

Benoît Guerin

BG SEA CONSULTING

MAC GENERAL ASSEMBLY

Thursday, 16 September 2021

Objectives

- ✓ **Perform an external and objective assessment of**
 - ✓ **the functioning of the internal bodies of the MAC** (General Assembly, Executive Committee, Working and Focus Groups, Management Group)
 - ✓ **the performance of the MAC as an advisory body in its institutional environment** (advices and relationships with the EC, relationships with Member States, coordination with other Advisory Councils)
- ✓ **Identify examples of good practices and shortcomings, list of recommendations** aiming at improving the functioning and overall contribution to the objectives of the Common Fisheries Policy

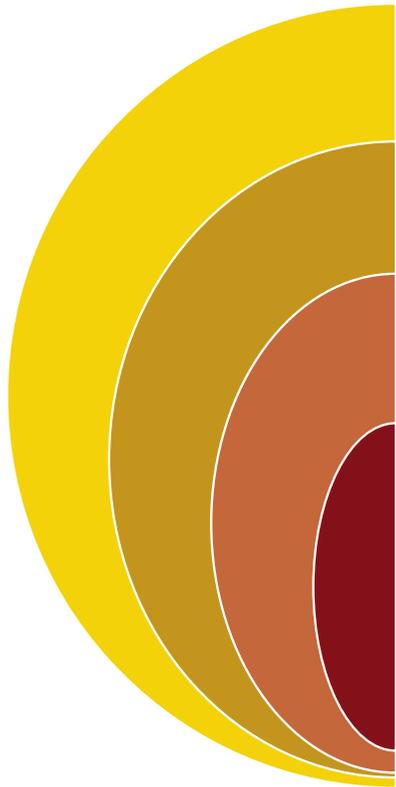

Terms of reference

- ✓ **Functioning of the working groups and Executive Committee**
- ✓ **Decision-making process**
- ✓ **Representation of different interests**
- ✓ **Performance of MAC Chair, Vice-chairs, Working Groups Chairs and Secretariat**
- ✓ **Relationship with the European Commission**
- ✓ **Relationship with Member States**
- ✓ **Relationship with other Advisory Councils**
- ✓ **Transparency**
- ✓ **Communication & Public Relations**

Methodology

- Analysis of existing documentation
- Analysis of MAC meetings (working environment, deliverables, role of chairs)
- Semi directed interviews with 15 active MAC members / On-line survey for non-active members
- Semi-directed Interviews with the MAC's partners and observers (EC & MS)
- Interim conclusions – January 2022
- Writing of the final report (recommendations & priority actions)
