## Annotated Version

Type	Item	Background	Purpose	Documents
Information	Food Security	In 2023, the European Parliament's PECH Committee commissioned a study exploring how initiatives within the European Green Deal may impact food security in fisheries and aquaculture.	Presentation of the study on food security by one of the study's authors.	- <a href="#">Study</a>
Information + Decision	Packaging and Packaging Waste	On 18 July 2024, the MAC received a letter from EUMEPS on the impacts of the reuse targets under the Packaging and Packaging Waste Regulation on the European fishing and fish processing industry. Under the Regulation, there will be obligations on reuse targets, the establishment of a collaborative system for reuse, responsibility for collection, and a traceability system.	Presentation on the expected impacts by an EUMEPS representative. Decision on way forward (e.g., none, monitoring developments, drafting advice).	- <a href="#">EUMEPS Letter</a> - <a href="#">Legislative Observatory</a>
Information	Horizon Europe (Mr. Goodfish 3.0)	Mr Goodfish 3.0 is a Horizon Europe project to empower sustainable fisheries choices, building up on a campaign launched in 2010 to develop an app with seasonal recommendations and recipes. In a previous occasion, the MAC agreed to enter into contact with the projects Mr Goodfish 3.0 and Verifish due to the relevance for the development of sustainability criteria for fishery and aquaculture products.	Presentation of the Horizon Europe project "Mr Goodfish 3.0" by a member of the consortium.	- <a href="#">Information</a>
Information	Consumer Information	Following a proposal from the Aquaculture Advisory Council, a Joint Focus Group on Consumer Information in the HoReCa Sector was established. Terms of Reference were agreed on 2 February 2024. The Focus Group met on 22 February, 28 May, and 2 September 2024. The aim would be for the recommendation to be adopted by the end of October 2024. At the 5 June 2024 meeting, the Secretary General provided an update on the work of the Focus Group.	Update on the work of the Focus Group by the Chair of the Focus Group. If available, consideration of draft advice on consumer information.	- <a href="#">Terms of Reference</a> - Draft Advice (Via Email / Members Area)
